- No enrollment fees
- Ameritas dental network savings

Dental Network Plan Options

PrimeStar Advantage Plus brings you the Ameritas dental network with features like:

- Discounted fees, typically 30% below average charges in your community
- Immediate network discounts
- One of the largest nationwide networks with more than 471,000 access points and over 114,000 providers

Advantage Plus Network plans are designed for those who will visit an Ameritas dental network provider. If you visit an in-network provider, your out-of-pocket costs will almost always be less because of the contracted fees (MAC/maximum allowable charge). If you visit an out-of-network dentist, you pay the difference between what the plan pays (MAB/maximum allowable benefit) and the dentist's actual charge, which may result in higher out-of-pocket costs.

Visit **star.ameritas.com/findadentist** to find a network provider near you.

Network not available in the PA counties of Forest and Potter.
